FOREWORD

For students the years in high school constitute a golden age. Here they are given the privilege of preparing themselves for a future rich with promise. This **ONEIDA** is dedicated to the abundance of knowledge, the richness of experience, and the wealth of opportunity which are present at L.J.H.S. for those who are seekers.

ROBERT E. BECKMAN
Supervising Principal

October 24, 1962

Dear Class of 1963:

As I write I note that the date is October 24, which is United Nations Day. The winners of the U.N. competition have not yet been announced, and many of you are still wondering and hoping. You can take pride in the fact that Lewisburg Joint High School was the first area school to participate in the annual trip to the United Nations headquarters. It was my pleasure to accompany that first group way back in the fall of 1949.

The U.N. has come a long way since that time, and so has our high school. If things are as they ought to be, each class should be better than the preceding one. I am sure it is true in your case. You will need all the resources you can muster because this old world can stand a lot of improving.

May you be so fortunate as to leave it a better place than you found it, and may you have a good life along the way.

Administration

Lewisburg Joint High School Committee

Row 1: Mr. Thomas G. Lewis, Mr. Larue E. Brown, Mr. Jesse L. Webster, Mrs. Eleanor A. Tasker, Mr. W. Richard Kauffman. **Row 2:** Mr. Donald B. Young, Mr. Arthur Miller, Dr. Carroll Nesbit, Mr. Robert C. Yocum, Mr. William M. Wagner.

Dear Student Body:

Looking forward, twelve years seem to be a long time. But looking back now, your twelve years in school probably have gone faster than you realized.

May the next twelve or more years of your life be as challenging, interesting, and pleasant as your "school days."

Someone has said, "Life is a mirror which will reflect back to you what you put into it."

Student Council

Promoting the general welfare of the school is considered a main objective of the Student Council. Composed of one representative from each homeroom, class presidents, and an elected President, this organization tries to develop among the students a greater responsibility for law and order in the school. Highly active in the school's internal management, it maintains the school store and conducts school elections. It was largely through the Council's efforts that L.J.H.S. was able to sponsor its first foreign student during the 1961-1962 school year.

Oneida

The ONEIDA, the Lewisburg Joint High School yearbook, has been published annually for thirty-five years. Because the book has changed from a senior class to a senior high project, the staff is now composed of sophomores, juniors, and seniors, with seniors holding the editorial and managerial positions. The editing of the yearbook is a year-round job necessitating long hours of hard work by the staff members, in order to produce the ONEIDA a resumé of an L.J.H.S. school year in picture and in story.

Dragon Hi-Lites

The Dragon Hi-Lites, our official student newspaper, is an independent, self-supporting journal which is published nine times each year. In an effort to inform the student body of current school activities and events, the paper includes a variety of news, special features, sports articles, and reviews. Working on the staff gives the members a keen insight into journalism and offers them valuable experience in that field.

To be designated as a member of the National Honor Society is one of the highest honors which the faculty may confer upon a student. The organization was introduced into L.J.H.S. in 1951, when a charter for the Alpha Chapter of the National Honor Society was granted to the school. Selection of members is made by the faculty on the basis of scholarship (at least a 90 average for juniors, and an 88 average for seniors), leadership, service, and character. Formed in 1957, the Junior High Honor Society is composed of eighth and ninth graders, selected on the same basis as the senior high members. This year the senior group sponsored a Thanksgiving assembly program for the benefit of the student body.

Here, all students participated in an intensive schedule of marching drills for many hours each day, in an effort to prepare and perfect the pre-game and half-time shows to be given at the football games. Later in the fall, the band participated in the Halloween and the Homecoming parades.

During February the band gave the annual winter concert and served as host to the Philadelphia Orchestra Wind Quintet. For the first time in its history, the band went on a winter concert tour to several cities in Pennsylvania and New Jersey. The band financed the entire excursion from its own funds.

The annual spring concert was given in May, after which the band officially closed the 1962-63 season.

During recent years our high school has achieved recognition for having as outstanding a musical organization as this one. The band members generously give of their time and musical talents to work cooperatively with Mr. Wilhjelm in order to produce high quality performances.

Other seniors in the line-up were end Hank Hendrickson and tackles John Book and Ken DeWire. Outstanding contributions were made by the following underclassmen: Dave Swartzlander, Walt Berger, Bill Heim, Gary Walters, and Tom Candrick.

The Dragons excelled in their aerial games this year.

Wrestling

This year the team topped all previous L.J.H.S. wrestling records (10-4) and captured fourth place in the Bloomsburg Tournament.

Many of our wrestlers excelled in the Bloomsburg Tournament with Paul Darmon taking a first place, Walt Berger a second, Frank Dietrich and Don Reichenbach thirds and Terry Fregly a fourth. This year Paul Darmon, who tied the school record with fifteen consecutive wins, Frank Dietrich, Tom Fegley, Ken DeWire, Norm Brouse and Terry Fregly ended their careers with the team.

Baseball

The Green Dragon baseball squad enjoyed a fine year in 1962, completing the season with nine wins and three losses. This record enabled the team to finish second in the Susquehanna League, only one-half game out of first place. Seniors Bill Earnest, Bob Strassner, Carl Millward, Rick Reish, Gary Bollinger and "Buster" Sechman turned in fine performances for the team. Bob Strassner led the team in hitting with Bill Earnest a close second. Pitchers Bill Earnest and Bill Hunter compiled five and four wins respectively.

Golf

The 1962 Dragon linksmen had a rough season, dropping seven matches without any wins. Better seasons are ahead, however, since none of the high point winners graduated. George Benson, a sophomore, was the individual match point winner and medalist for Lewisburg.

Varsity Basketball

Quick footwork helped the Dragons to get out of many holes.

Although the Green Dragon basketball team experienced a disappointing season in 1962-63, with only four wins, the players never gave up in any game. They displayed great fight and spirit throughout the season. Seniors Bill Hunter and Vince Powell contributed greatly to the team. Hunter placed in the top ten in scoring in the league. One of the highlights of the season was the heartbreaking game Lewisburg lost to Sunbury, 47-46, in which Sunbury scored a field goal with just thirty seconds remaining in the game.

The injuries which plagued the team throughout the year weakened the team greatly, but the four sophomores and the three juniors who played this year will return to strengthen the squad for the 1963-64 season.

SENIORS ON THE SQUAD—Row 1: Troutman, Libby, Haines. **Row 2:** Millward, Hanselman, Lawrence.

The Girls' Varsity Basketball team finished the 1962-63 season with a record of four wins and four losses. The team strived to retain their first-place trophy of the past two years, but felt the loss of several valuable players. Averill Haines, Dianne Hanselman, Beth Lawrence, Connie Libby, Daphne Millward, and Karen Troutman were this year's seniors.

The Junior Varsity won four games and lost three games while gaining valuable experience.

Softball

The Dragonettes, coached by Miss Keiser, finished their 1962 season with a record of one victory (Selinsgrove) and seven defeats (Mifflinburg, Middleburg, Danville, and West Snyder). The undergraduates on the team gained valuable experience for this year. Jutta Seitschek, our 1961-62 foreign student from Austria, Betty Ressequie, and Sue Peters (absent from the picture) were the seniors on the squad.

Girls' Athletic League

The Girls' Athletic League is organized to create interest and support student participation in sports. G.A.L. pins are awarded to girls who have earned two hundred and fifty points in intramural and varsity sports. During the year the organization sponsored several money-making projects and purchased sneakers for the girls' basketball team. The League held an interscholastic playday in November, a swimming party on March 4, and a rollerskating trip.

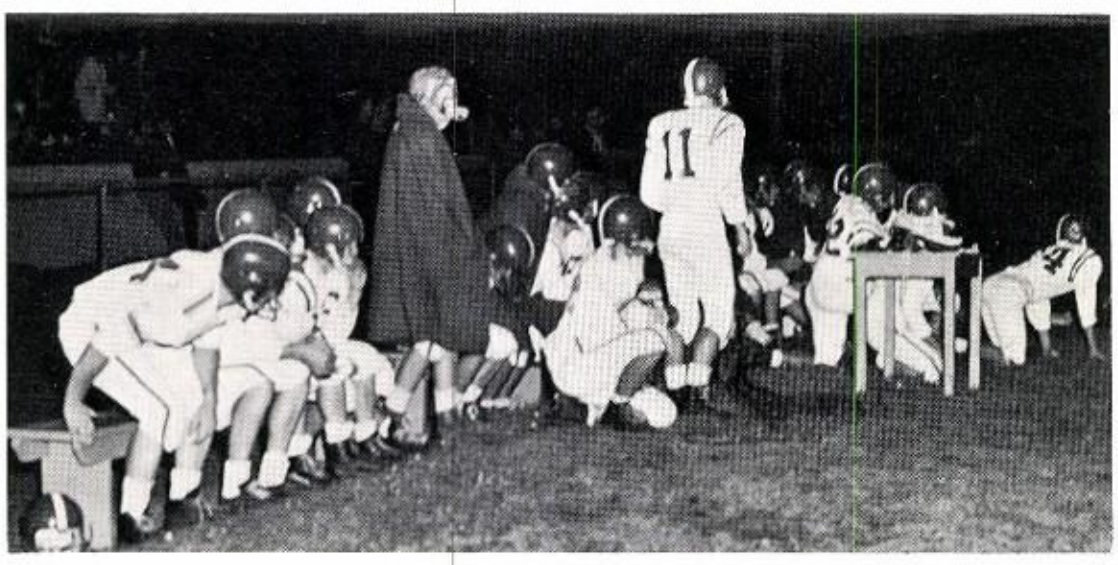
Varsity Club

Any person who has earned a varsity letter is eligible for membership in the Varsity Club. The purpose of the Club is to encourage participation and co-operation in the athletic program. This year the Club held a dance and a car wash, and the members sold programs and pompons at the football games. Varsity Club jackets were purchased for the senior boys in the Club. Films were taken at all football games and it is hoped that in 1964 the films can be shown to the public. In March the Club sponsored an evening of basketball with a Junior-Senior game and Mifflinburg-Lewisburg faculty game.

Anxious Moments.



The bonfire sets the tone for our scorching victory over Mifflinburg.
